

Product Quantity and Shipping Information

Lidco Products sells squeegees and applicators on a wholesale basis. Please request quotes in quantities at or above minimum order quantity. If requesting a quote above MOQ, note that quantities will only be quoted at MOQ plus case pack quantity. (example: if you'd like 600 Yellow RC-4 squeegees, the MOQ is 500 PC, and the next case pack size is 500 squeegees per box, so, you'll either need to order up to 1000 or get a quote for 500 PC). Partial box quantity quotes will be quoted at the next full box size.
